RE: Scope determination on antidumping duty order on certain lined paper products from the People's Republic of China (A-570-901).

1. On 2/27/2013, in response to a request by Esselte Corporation ("Esselte"), Commerce issued a final scope determination that Esselte's certain stone paper notebooks which Esselte imports and which are classified under HTSUS number 6815.99.4000, are within the scope of the antidumping duty order on certain lined paper products ("CLPP Order") from the People's Republic of China (A-570-901).
2. Because the imported products are substantially not distinct from merchandise covered by the scope of the CLPP Order in terms of physical characteristics, customer expectations, ultimate use of the products, channels of trade in which the products are sold, and manner in which the products are advertised and displayed, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of certain lined paper products from the People's Republic of China, including Esselte's certain stone paper notebooks imported by Esselte described above, subject to the antidumping duty order on certain lined paper products from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O8:CR.)
5. There are no restrictions on the release of this information.
